RE: CERTIFICATE OF QUALIFICATION

Dear Sir/Madam:

The Department of Transportation has qualified your company for the type of work indicated below. Unless your company is notified otherwise, this Certificate of Qualification will expire 6/30/2019. However, the new application is due 4/30/2019.

**In accordance with S.337.14 (1) F.S. your next application must be filed within (4) months of the ending date of the applicant's audited annual financial statements.**

**If your company's maximum capacity has been revised, you can access it by logging into the Contractor Prequalification Application System via the following link:**

**[HTTPS://fdotwp1.dot.state.fl.us/ContractorPreQualification/](https://fdotwp1.dot.state.fl.us/ContractorPreQualification/)**

**Once logged in, select "View" for the most recently approved application, and then click the "Manage" and "Application Summary" tabs.**

**FDOT APPROVED WORK CLASSES:**  
ELECTRICAL WORK

You may apply for a Revised Certificate of Qualification at any time prior to the expiration date of this certificate according to Section 14-22.0041(3), Florida Administrative Code (F.A.C.), by accessing your most recently approved application as shown above and choosing "Update" instead of "View." If certification in additional classes of work is desired, documentation is needed to show that your company has done such work with your own forces and equipment or that experience was gained with another contractor and that you have the necessary equipment for each additional class of work requested.
