Subject: Letter of Acknowledgment

To Whom It May Concerns:

Stryker Electric is a top notch # 1 rated industry leader in the electrical market place encompassing the State of Florida. Our company has been doing business with Stryker Electric for the past 18 years and their quality of work is superior, their vision outstanding and their timely execution of the projects scope of work is first- class.

Leadership, approachability, quality workmanship and professional installation best describes Stryker Electric. Their field craftsman are among these best we have ever worked with and their office personnel are extremely friendly, customer oriented and courteous, When you are done speaking with Stryker Electric you feel you are their best and only customer in their organization.

Stryker Electric has always been a dedicated **Team Player** and looks out for the best interest of the project and all parties involved. Their word is their bond and that is extremely admirable in today's market industry. We have always been on a winning team when working with Stryker Electric on large projects from high rises to college campuses and airports Stryker Electric high standards are always present.

When our company thinks of high quality commercial electricians only one comes to mind – **Stryker Electric!**
